
Instruction Guide

LIMITED WARRANTY

Lloyd's "Video" Games are warranted against defects in material and workmanship for a period of ninety (90) days from the date of purchase by the original purchaser.

Should the unit fail under normal usage during the ninety (90) days period of warranty, it must be returned, freight prepaid to:

- *Lloyd's Electronics Inc. 18601 South Susana Road, Compton, California 90221 Tel. 213-537-3720*
- *Lloyd's Electronics Inc. 180 Raritan Center Pkwy. Edison, New Jersey 08817 Tel. 201-225-2030*
- *Lloyd's Electronics Ltd. 857 York Mills Road, Don Mills, Ontario M3B 1Y2, Canada*
- *Lloyd's Electronics Ltd. 11 Plymouth Street, Winnipeg, Manitoba R2X 2V5, Canada*
- *Lloyd's Electronics Ltd. 4445 Garrand Street, Ville St. Laurent, Quebec, Canada*

The original sales invoice is the only acceptable proof of warranty entitlement and must therefore accompany the returned unit.

This warranty does not apply to any products which have been repaired by unauthorized persons in any way, so as, in our judgement, to reduce their performance or reliability or which have been subject to misuse, abuse, neglect or accident.

This warranty gives the purchaser specific legal rights in addition to any other rights which vary from state to state.

Applicable to U.S.A. Only

In accordance with the "Moss-Magnuson Warranty Act" of July 10, 1975, this is termed a "Limited" Warranty which in no way compromises Lloyd's high standards of quality and workmanship.

INTRODUCTION

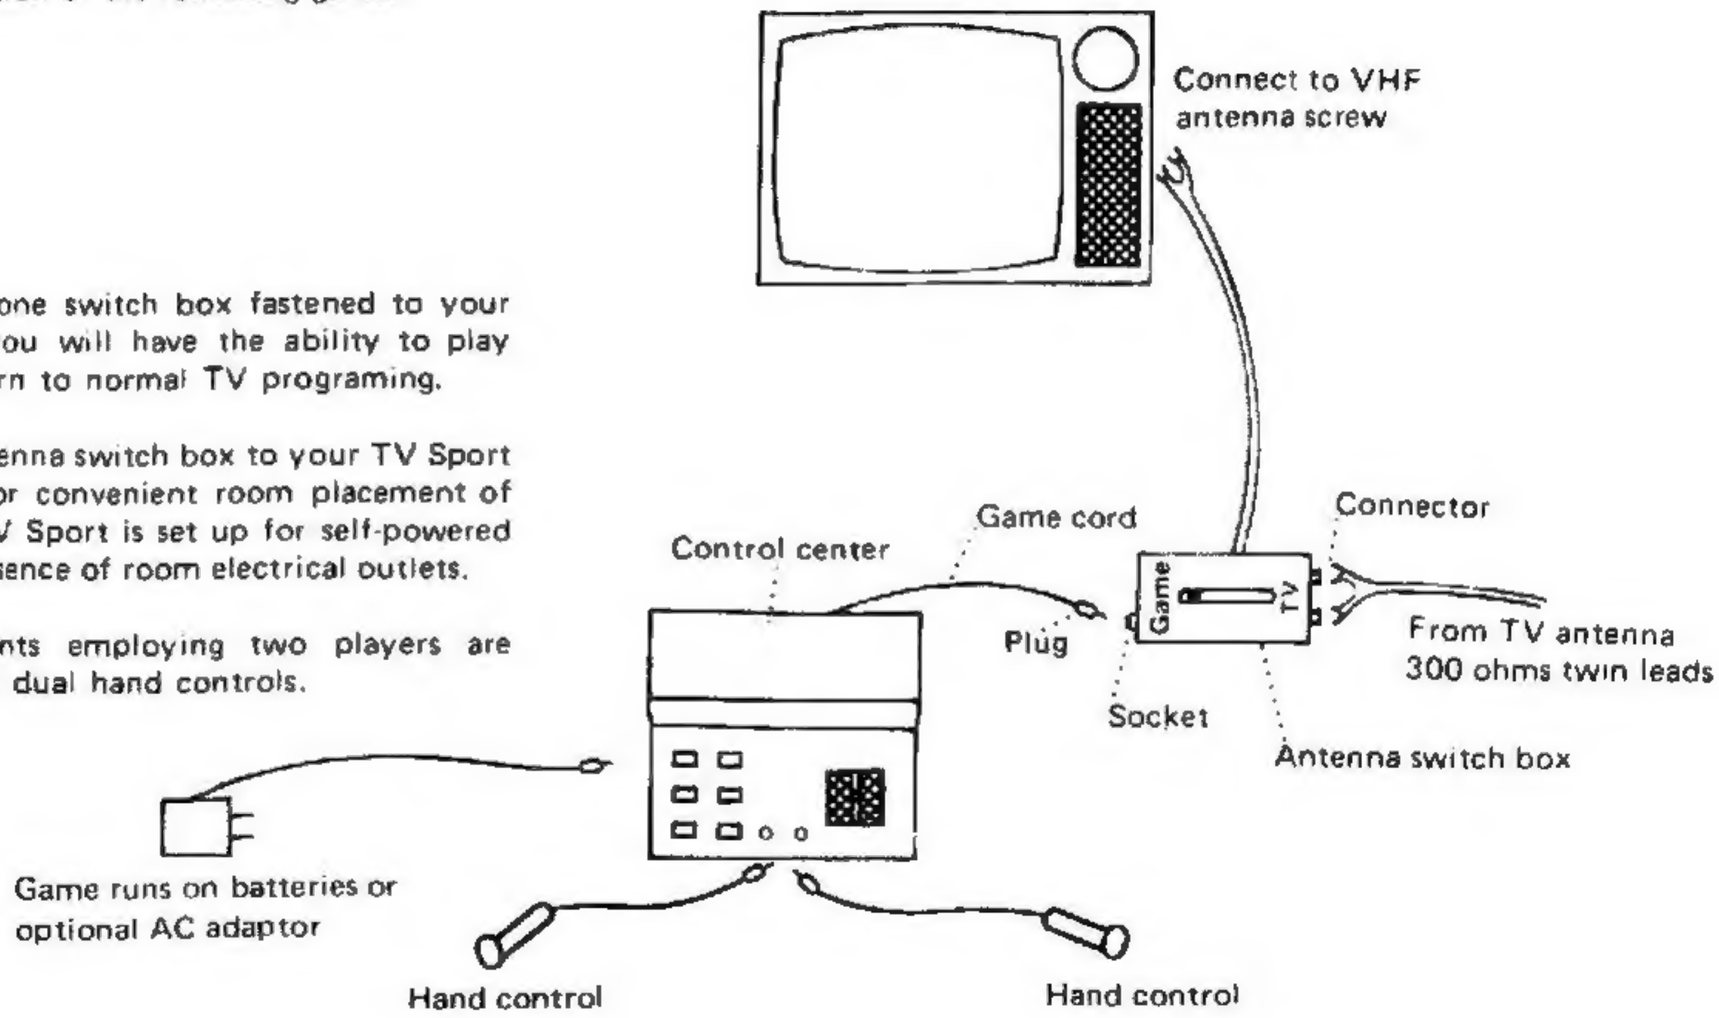
Lloyd's TV Sport will operate with any TV Receiver to allow one or more players a selection of the following games:

- **Tennis**
- **Hockey**
- **Squash**
- **Hand Ball**

By simple installation of one switch box fastened to your TV's antenna terminals, you will have the ability to play TV Sport or instantly return to normal TV programing.

A cable connecting the antenna switch box to your TV Sport Control Center provides for convenient room placement of the player's equipment. TV Sport is set up for self-powered battery operation in the absence of room electrical outlets.

Competitive sporting events employing two players are carried out with the use of dual hand controls.



Although this product has been ruggedly designed, it is a delicate piece of electronic equipment and should be treated accordingly. Do not expose this product to extremes of heat or cold for long periods of time. Protect it against excess moisture and dust as much as possible and do not subject it to excessive shock.

Careful attention to the care of this product should provide years of trouble-free operation.

***Important**: Your unit is identified by a special number. When writing for information or service include the Full Model Number including Series Code.*
